Call for Abstracts

Abstract Submission is now open

Abstract Submission Deadline: 11th November 2017

Abstract Registration/ Submission:

National Leprosy 2017 invites submission of abstracts describing the status, gaps and needs in Leprosy in all the theme and sub-theme of the conference.

The papers can be submitted for oral presentations. All abstracts will be evaluated on the basis of scientific merit by peer review.

Preference will be given to those submissions that address a substantive issue by integrating across different areas of conference themes (i.e., **Accelerating towards leprosy free India through Innovative Approaches**). The NLC Academic Committee will make decisions regarding acceptance of submissions and notify corresponding authors by November 15, 2017.

Submissions must be received electronically and no later than 11:59 P.M. IST on Saturday, November 11, 2017, to be considered for inclusion in the program. Please review the submission instructions carefully.

All presenters will be expected to register and pay for the conference. Notification of acceptance or rejection of abstracts will be e-mailed to the corresponding authors by November 15, 2017.

To use the online submission system, you must first register. A registration link is placed on the home page. Here you will fill in your basic contact information and other details and your email id provided by you will be used as your unique registration login ID for the registered name. Required fields are marked with a red asterisk (*). Upon successful registration, the link for submission of abstract will appear on your screen.

For later abstract submissions, you will require this login id & password for online submission of your abstract on abstract submission page.

After successful registration, you will be provided with the link of abstract submission page. You can submit maximum of three (3) abstracts under the registered Id. Enter the abstract as detailed on the page in the customized form.
